Made and built to perform, the rear-riser downdraft is a clever solution to address ventilation space challenges, enabling kitchen design versatility. With this stylish line of rear-riser downdrafts, featuring black glass panel and touch control, you can enjoy the benefits of the perfect kitchen: no more clutter or obstructed kitchen views. For example, you can design your kitchen so that the cooktop is positioned in front of a window or even on a bench island. The rear-riser glides gently into position to quickly remove all odours and steam. Also, exclusive to Parmco is the "remote motoring" option which will significantly reduce noise

A smart clean, healthy solution for your home environment.

Impressive 7 Year Warranty

Note: 7 year warranty is for domestic use only.
