An induction cooktop works by using magnetic energy to heat the pot or pan, put simply – the pot is the element. This 900mm frameless induction cooktop features 5 heating zones and touch controls not to mention an inbuilt timer and child lock function. This is the ultimate for the serious entertainer and beyond.

A sophisticated sleek powerful 900mm cooktop...

Impressive 7 Year Warranty

Note: 7 year warranty is for domestic use only.
