ASSEMBLY INSTRUCTIONS

MODEL NO.: 9863E

INSTALLATION VIDEO

Please scan the QR code with cell phone camera for Installation Video.
If the QR code is broken, please contact us to get installation video.

Thanks for your purchasing.

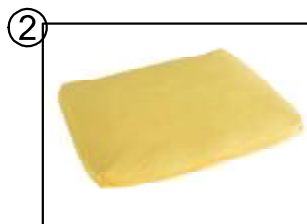

- Please read the instruction completely before assembly.
- Please do not throw away any of the packaging or the instruction until you have all the components and when the furniture is fully assembled.
- Considering the size and weight of the sofa, we recommend two adults to assemble the sofa, on a carpeted or padded area.
- Keep all components and packaging out of reach of children or animals to avoid risk of choking or suffocation.

PACKAGE

Please read the following instructions carefully for the best experience. Cushions were vacuum packed and sealed for shipping, In order to boost the rebound process, please follow the steps below.

Open the vacuum bag carefully.

Initial look.

Open the zip, press and pat to allow adequate air to enter the cushions.

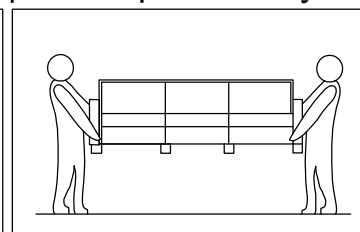

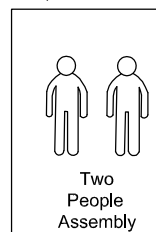

Tidy the cover. Ironing the cover if necessary. Place cushions in place that is dry and ventilated.

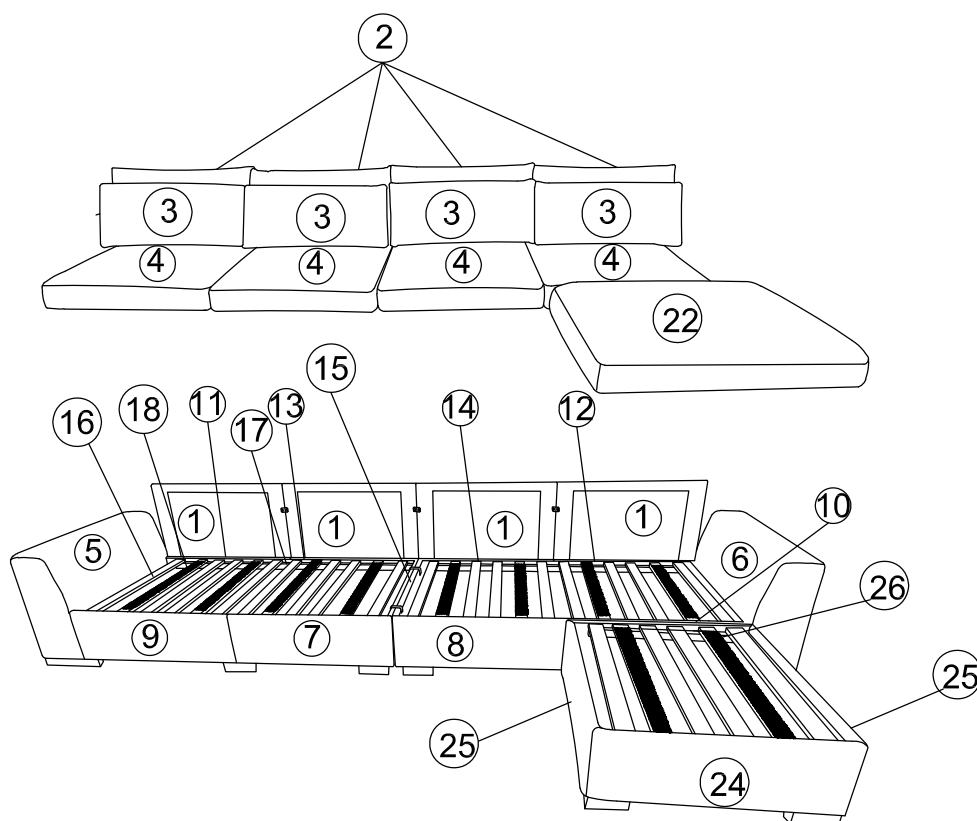

Repeat step 3 until the sponge is fully expanded, and zip the cover. Wait to rebound after 72 hours at least.

CAUTION:

- Please do not open the compress packaging until your sofa frame is completely assembled.
- Compress cushions or pillows need to be fully fluffed within 72 hours for your perfect use.
- Please keep children away from plastic bag or any small pieces of stuff.
- After assembly is completed, don't forget to pat the back cushions and seat cushions, make them recovering better. And wait 72 hours for fully rebound.
- Cushions should be regularly maintained for perfect use.
- 2 people to install is recommended.
- 2 people to lift the sofa if you want to move it, do not push or pull directly
